

# **Community Badges & Bagels Event**

The Cherry Hill Police Department invites all community members  
to join them for "Badges and Bagels" on

**Sunday, June 10, 8am-11am**

at

**The Bagel Spot, 600 Kings Highway** (next to CVS).

Officers from our Department will come together with residents to discuss community issues, learn more about each other and build positive relationships over a bagel and complimentary cup of coffee. Our mission is to advance the practice of community policing through improving relations between police officers and community members in a relaxed environment with one-on-one interaction.

A special thank you to The Bagel Spot for graciously opening their doors and partnering with us to allow us to bring this event to the Cherry Hill community. All members of the community are invited to attend and we hope to see you and your families there!
