

CHPD Bike Registration Program

The Cherry Hill Police Department is proud to announce the start of our enhanced Bicycle Registration Program.

Cherry Hill residents will be able to register their bicycles with the police department in an effort to ensure the preservation of property. All too often, cases of bicycle theft go unsolved due to limited information provided by the victim. This initiative will ensure critical descriptive information remains in the department's database.

Those who register will receive an easily identifiable registration sticker to attach to their bicycle. Register at: <https://nj-cherryhill2.civicplus.com/forms.aspx?FID=85>.

Any questions, please contact the Community Response Unit at 856-488-7813 or copps@cherryhillpolice.com.
